Cow Tales

King of the Trail

by Yehudi Mercado

Claire's hard feet slide on the rocks. She is so tired! She and the other cows have walked on the trail for weeks. They still have many, many miles to go.

"No," Claire says. She sits.

A large bull stops. He is the leader of the cows. They call him the King.

A small dog named Lady stops next to the King. Her job is to keep the cows moving. “Why did we stop?” the dog asks.

The King says, “This cow stopped.”

“That’s Claire,” says Lady. “She does not listen. She does what she wants. She should start moving.”

The King stands next to Claire. He looks into her eyes. “You must move now.”

“No,” Claire says. “This trail is too long. The rocks hurt my feet.”

Just then, a map blows in the wind. Claire looks at the map. She points to the end of the trail. “Is that a field?” she asks.

“Yes. It is a field with sweet, soft grass,” the King says.

Claire thinks about the field. It would be nice to walk on that soft grass!

The King says more. “I have changed my mind, Claire. Don’t get up,” he says.

“Why not?” Claire asks. She seems mad.

“Why not?” Lady asks. She seems unhappy.

“We need to keep going.”

“You should stay, Claire,” says the King.
“Then, I can have your grass and mine. Please sit longer.”

“No,” Claire says. She gets up. “My feet are rested now.”

The King smiles. Lady smiles. The cows keep going on their long trip.
