School Reminders

- October is National Bullying Prevention Month. During grade level assemblies, our students are learning about the signs of bullying, and what to do when they see someone being bullied.

- Tutorials on Florida Standards are available at <http://www.floridastudents.org/>. Check out these great resources for extended learning at all grade levels!
- The opt-out forms for health screenings were sent home last week. Please return the form if you do not want your child to participate.
- Important message from the Bus Garage: Hoodies are not to be over the heads and tied up when students are on the bus. Drivers need to know who is on the bus, and students need to see traffic and where they are going.

- Lunch and breakfast are free to all of our students! We encourage all students to take advantage of this wonderful program and start their day with a healthy breakfast!
- Reports concerning unsafe, potentially harmful, dangerous, violent, or criminal activities, or the threat of these activities, can be made to appropriate public safety agencies and school officials using the following link:
<https://getfortifyfl.com/Tip.html>

Let's make this a great week!
Go Tigers!
