

**North Elementary School  
Weekly Memo for Parents  
March 30, 2020**

Hello Tigers!

Welcome to distance learning! Once again, here are two important district resources that contain information about at home learning.

[Family Guide At Home Learning Plan](#)

[FAQs Regarding the Impact of COVID-19 For Students and Families](#)

Specific activities for each day can be found in your child's Google Classroom. To complete all required activities, your child should spend a minimum of 3 hours on academics. We will start the first week off easy as many families as well as teachers are still learning to navigate the landscape of distance learning. More activities and tasks will be added starting Week 2.

Transition to learning at home is not easy, and we fully recognize the challenges that this presents to families. Please know that we are here for you, and willing to help any way we can! Your first point of contact for daily questions and concerns is your child's teacher. Our special area teachers and ESE teachers are assisting different grade levels as well, and you can expect to hear from them, too!

We have assigned personnel helping out with Spanish speaking families. Mrs. Shirley, our assistant principal, is the contact person for technology related questions (e-mail [alyson.shirley@okee.k12.fl.us](mailto:alyson.shirley@okee.k12.fl.us)), and Dr. Robinson, the Principal of NES is the contact person for any academics and learning plan related questions. For any social-emotional needs, you may contact our Guidance Counselor Mrs. Leach ([patti.leach@okee.k12.fl.us](mailto:patti.leach@okee.k12.fl.us)).

Staff office hours at school this week are 8:00-3:00, but you can contact us via e-mail any time!
