HURRICANE DORIAN AND SCHOOL OPENING UPDATE

Wednesday, September 4, is Teacher Work Day and there is no school for students. The reason for schools closing on this day is that the shelter (South Elementary) will need a deep cleaning. Students will return to school on Thursday, September 5. The School Calendar will be amended to reflect a reduction of the two missed days. The two student days that were missed as a result of Hurricane Dorian will not need to be made up and, at this point, will not impact Thanksgiving Break.

Weekly Social Emotional Focus: Being Responsible

This week, we will be talking to students about the importance of being responsible. We are responsible when we can be trusted to do the right thing. We help others, we clean up our messes, and we admit when we make mistakes. Students are encouraged to think this week how they can be responsible at school as well as at home.
