

**North Elementary School  
Weekly Memo for Parents  
April 6, 2020**

Hello Tigers!

Welcome to week 2 of distance learning!

In an effort to comply with the Stay-At-Home directive from the Governor, OCSB offices and school sites are physically closed to the public. We will have staff at NES from 8 AM to 3 PM to ensure phones are answered and messages routed to the intended person or department. Click on this link to access the [Contact List for Common Questions](#).

Please check the OCSB website ([www.okee.k12.fl.us](http://www.okee.k12.fl.us)) for updated information by clicking on the orange Coronavirus School District Update and Information banner.

**Instructional Updates**

This week, you will see a few new things introduced in our Google Classrooms. Students will have specific activities for Science and Social Studies. Students now have access to taking AR quizzes to support independent reading. Additionally, teachers will start assigning quizzes and tests in subject areas. Teachers will communicate their expectations for how to ensure assessment integrity at home.

In the PE and Health unit on Wednesdays, students will see materials related to Social Emotional Learning which may include lessons on Bullying prevention and Drug-and Alcohol Resistance

Program as part of the State required Mental Health education. For our younger learners, it is important that the adults will assist them with making sense of the content that is presented.

Last but not least, each teacher will offer at least one Zoom or other virtual face-to-face meeting to their class to provide an opportunity for students to see their teacher as well as their peers. We hope that you will be able to participate!

### **Monday, April 6**

- Week 2 of distance learning starts. Students should check in to their Google Classroom each morning and complete work that is assigned.

### **Tuesday, April 7**

- Science webinar Mystery Doug Livestream at 1:00 PM. To access, go to [mysteryscience.com/live](https://mysteryscience.com/live)

### **Wednesday, April 8 - Hat Day**

- Students' Mental Health education related lessons are available in their PE/Health Unit in Google Classroom

### **Thursday, April 9**

- End of week 2 of distance learning!

### **Friday, April 10 - Good Friday**

- No school

# *Important* **INFORMATION**

### **Additional Learning Activities**

- Tutorials on Florida Standards are available at <http://www.floridastudents.org/>
- Video tutorials and practice for core subject areas on each grade level are available at <https://www.khanacademy.org/>

### **Other Important Information**

Meals continue to be served to students as follows: 11:00-1:00 at OHS, 11:00-12:00 at Douglas Brown Community Center as well as at the Public Library. Additional information about the meal program can be found at [FAQs Regarding the Impact of COVID-19 For Students and Families](#).

Food will be also delivered in the communities on school buses as follows:

Generic paper packets for learning can be picked up from the buses for students who cannot access online learning, and are not able to get the NES paper-based packets from school (these packets are to be used only as the last resort as they are not inclusive of all of the wonderful learning opportunities that are available to students in an online format).

Reports concerning unsafe, potentially harmful, dangerous, violent, or criminal activities, or the threat of these activities, can be made to appropriate public safety agencies and school officials using the following link: <https://getfortifyfl.com/Tip.html>

**Let's make this a great week!**

**Go Tigers!**
